A MEMBER OF

THE GLENTHORNE VETERINARY GROUP

EXCELLENCE IN ANIMAL CARE

EXCELLENCE IN
SMALL ANIMAL CARE

LARGE OR SMALL, YOUNG OR OLD,
IT DOESN'T MATTER – **WE ARE**
PASSIONATE ABOUT ALL TYPES OF
ANIMAL. GLENTHORNE VETERINARY
GROUP IS A **MIXED SPECIES**
VETERINARY PRACTICE WITH THREE
MODERN SURGERIES IN: **UTTOXETER,**
TUTBURY AND **BURTON UPON TRENT.**
WE LOOK AFTER JUST AS MANY
LARGE ANIMALS AS WE DO **SMALL**
ANIMALS. WE CONTINUALLY INVEST
IN THE VERY **LATEST EQUIPMENT** AND
MODERN WORKING PRACTICES
HELPING TO ENSURE THAT WE ALWAYS
OFFER **EXCELLENCE IN ANIMAL CARE.**

WHY CHOOSE THE GLENTHORNE VETERINARY GROUP?

Genuine friendly, professional care for your loved pet. Reassurance that your pet will receive the best possible care from people who strive for the best.

OUT OF HOURS

Our emergency service is available 24 hours - every day of the year. The service is staffed entirely by our own vets giving you the comfort of knowing that you will see a familiar face without having to travel long distances to unfamiliar locations.

SURGERIES

Currently we have three surgeries based at Uttoxeter, Tutbury and Burton. All of our surgeries are equipped with the most up to date equipment allowing us to offer a complete package, from simple consultations and vaccinations through to

complex diagnostic investigation and surgery where necessary.

STAFF / NURSES

We have an enthusiastic team of vets, nurses and auxiliary staff - all of whom attend regular training courses to ensure they are fully up to date with the ever progressing world of animal care.

We actively encourage open forum discussions of individual cases, not only to promote knowledge sharing but also to ensure all avenues of care are explored for your animals.

SPECIALISMS

Mr John Goodyear MRCVS
BVM&S Cert VOphthal
Our resident ophthalmologist based at Burton.

Mr Andrew Whittingham
MRCVS CertSAS
Available for more complex orthopaedic work including spinal surgery and hip replacement.

DIAGNOSTICS AND ANAESTHESIA

Each surgery has an extensive range of diagnostic equipment including; ultrasound, X-Ray, ECG. We have ready access to a local MRI Scanner. All of our anaesthetic equipment

is state of the art and we only use anaesthetic agents with a proven safety record in humans as well as animals.

LABORATORIES

Not only do we have access to a wide range of high quality external laboratories we also have our own 'in house' laboratory allowing the quickest possible diagnosis when it is needed most.

PHARMACY

Whatever product you need Glenthorne offers a well stocked and competitively priced pharmacy, in each of its convenient locations.

IN PATIENT MONITORING

All animals needing an overnight stay are housed in a clean, comfortable and quiet environment with regular monitoring.

COMPUTERS

Modern, reliable, fully linked system. This allows real time patient file updating across the practice, so records are instantly accessible at any surgery day and night.

EXPERIENCED STAFF

We have a team of highly experienced vets (over 150 years combined!) This is a valuable resource within a practice such as ours and enables us to share knowledge.

OUR PARTNERS

Stuart Brown
BVSc MRCVS

Stuart has been with the practice since leaving Bristol University in 1993. He has a particular interest in companion animal surgery and in particular orthopaedics, yet relishes the opportunity to get out and deal with farm animals. Interests outside the Practice include walking shooting and more recently building fast cars!

John Cammack
BVet.Med MRCVS

John qualified from the Royal Veterinary College, London in 1986 and worked in mixed Practices in Pembrokeshire, Cumbria and Derbyshire before joining the Practice in 1998. He is a mixed practitioner, but is mainly involved in the farm animal and equine side of the Practice. He has a particular interest in dairy cattle medicine and surgery.

John G Kirk
BVSc MRCVS

Having qualified from Liverpool University, John has spent much of his time in mixed practice around the UK, and also spent a year working in New Zealand finding out more about their systems. He has been with the Glenthorne Veterinary Group since 1993, and his interests lie in dairy cattle work and equine work.

Steve E McKeon
BVet.Med MRCVS

Steve has worked in the Practice for twenty years and has wide experience with all species. He is a member of the British Small Animal Veterinary Association and has particular interests in companion animal medicine and soft tissue surgery.

Orienne West
BVet.Med MRCVS

Orienne has been with the Practice for around nine years, and has returned following a 4 year spell spent running a Practice in Stapenhill, Burton on Trent. Her experience is broad, having worked with companion animals, dairy and beef cattle and equine for the whole of her career.
